Milky Way Café, opened in December 2002, is a creation from Chef J. Gamboa of Cirkulo Restaurant. Going back to his roots, Chef J. Gamboa wanted to create a dining and meeting space with nostalgic highlights, incorporating details from Milky Way's 40 year history. The result is a bright and airy space designed by Arch. Gary Coscolluela. Narra walls, granite counters, molded ceilings, soliha chairs, black and ivory flooring define the restaurant's old world charm.

Shelves are filled with special home-made products from Milky Way's line of preserves and native delicacies. The Milky Way Café offers an international menu typical of hotel coffee shops, without the 5-star prices. There is a wide selection of Filipino dishes that Milky Way is famous for, prepared by the original cooks from the 1960s.

Favorites include Crispy Hito with Bagoong and Mustasa, Baby Crispy Pata, the Award Winning Milky Way Kare Kare, US Bistek Tagalog, Tokwa't Baboy, Pancit Luglug, Dinuguan at Puto and not to be missed are the Milky Way Halo Halo and Homemade Ice Creams.
